RECOGNIZING THE VALUABLE  
CONTRIBUTIONS OF NICARAGUAN-AMERICANS

**HON. ILEANA ROS-LEHTINEN**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 29, 2008*

Ms. ROS-LEHTINEN. Madam Speaker, I rise to recognize and celebrate the contributions of our Nation's Nicaraguan-American population. The South Florida community that I represent is blessed to have many of these hard-working and talented individuals. Their contributions to our community's success and growth are a testament to their dedication and service.

It is fitting that this recognition occurs in the month of September. The rapid growth of Nicaraguan immigrants started in September 1972 following a devastating earthquake. The largest group of refugees arrived on our shores in September 1979 as they escaped the communist Sandinista regime.

Out of this tragedy came the triumph of a people who were determined not be victims of circumstance. They took charge of their life and decided to make a better life for themselves and their children in our great country. They have contributed to the fabric of American society and helped strengthen the ties between both our nations.

During the next Congressional session, I will be introducing a resolution to designate September as Nicaraguan-American Heritage month. It is a fitting tribute for a people who have truly realized their own American dream.
